Run a Food Drive this Spring

More people than ever rely on the San Francisco Food Bank to make ends meet. Unfortunately, our supply of dry goods is down 15% so there's never been a better time to run a food drive. Join these food drives or run your own this spring. Visit our website www.sffoodbank.org or call (415) 282-1900 to find out how you can get involved.

New Message from our CHAIRWOMAN:

1. Feb 16th, Saturday. We will meet in the afternoon about 1 pm at my "house of potluck", GOOD FOOD AND WINE, to work on awards books. After a couple of hours of hard work and consumption we will do the game DO TELL. DO TELL is a fun game for wine saturated people that Kathy Jacobson from Mike's BNI has developed. It is a fun way to get to know others. Kathy describes the game as "Find out how much you really know about your friends, yourself, your partner, your family or use it to break the ice with new friends. DO TELL® challenges you to reveal yourself to others in surprising ways through acts of doing and telling."

2. March 1st - Blood Drive Flyer Distribution. Around the 28th and Lawton area.

3. March 8th - The Big Blood Drive swings into action. Cookies, Cakes, Packaged food items and Coffee, Sodas, Hot Chocolate and Beer and Wine.???

4. March something - To be announced - service project with Adult Day Health Center ..
