Program Coordinator Nick Aiello 415-334-2054

---

Ecuador has recently been devastated by floods. The District has set up a Foundation account to help local Rotary clubs with the many needs that have come about due to flooding. Any financial assistance would be greatly appreciated and can be sent to the Rotary 5150 Foundation. We will make sure that it gets to the Rotarians in Ecuador so that they can help to rebuild.

The Dictionary Project has been a signature community service project for our District. The Clubs have raised over \$75,000 and have given away nearly 9,000 dictionaries. The benefits to the children can only be compared to the fun Rotarians have had in giving away the dictionaries. I've had the pleasure of working with a number of clubs and have been in numerous third grade classrooms. The smiling faces and letters of thanks from grateful children and teachers are proof of the success of this project. *D.G. Brian McLeran*
