Welcome Today's Speaker

Dr. Peter Bretan

Peter N. Bretan, Jr., M.D., member of the Rotary Club of Novato and founder of [RotaPlant](#) (Rotary transplants), which works to sow the seeds of goodwill in developing countries by providing lifesaving living related kidney transplantation to patients, with concurrent Rotary supported community and humanitarian aid to poverty stricken children and orphans. Dr. Bretan is a urologist with [Marin Sonoma Urology Associates](#). He is a clinical associate professor of urology at the University of California at San Francisco (UCSF). He received his medical degree from the UCSF School of Medicine in 1980, and then completed his urology residency there, and then completed a research fellowship at UCSF studying *The Diagnosis and Imaging of Prostate Cancer*. Dr. Bretan has published over 100 scientific articles covering both clinical and original research subjects, which have been the basis of multiple academic awards. He is a full participation member of over 25 medical societies and continues to be an active transplant surgeon (with over 800 renal transplants performed) and has a busy general urology practice with emphasis in urologic (especially renal) oncology, female urology, and renal laparoscopic surgery.
