An Excellent Event By All Standards

Our clubs interest meeting went off with a bang. Paul Kingsman was more than inspirational, he was a phenomenal experience. He more than lived up to his billing and got his message across with great impact.

Now it is up to all of us to contact our guests and re-invite them to another meeting. We are each the final part of all the hard work we have invested in the growth of our club. Now is the time to make it happen or drop the ball completely. We are a team and we need to operate on the same page especially now. We are counting on you the member to live up to your responsibilities to our club.

Nov. 24, 2009	Pablo Castro , member, Rotary Club of Mission San Rafael, and owner, Marin Hardwood Floors, welcoming guests interested in learning more about the fun, excitement, and rewards of being a Rotarian.
