

June 20th The Newsletter of the Rotary Club of San Francisco West 2007

WELCOME TODAY'S SPEAKER

MARLA ZEMANIK

Marla Zemanek, home wellness coach. Is your home a toxic waste site? Marla discusses toxins in the home environment and "going green." Ms. Zemanek was a consultant in management and organizational development for 23 years, holding an M.Ed. in special education and an M.A. in educational technology. She previously taught special education, working with severely developmentally disabled institutionalized adults and with underprivileged learning disabled kids. Her love of educating and coaching individuals in personal development fueled her entrepreneurial spirit, and led her to own business of marketing health and wellness products. Marla is passionate about safeguarding children from dangerous toxins in homes and schools, and helping individuals become more conscious about how they can protect the environment by being smarter consumers. She also teaches public speaking at Golden Gate University.
